

Dear Parents,

Class 2 and 3

Summer break arrives with celebration and relief for students after a rigorous School year. It is a time when a child is offered with a chance to refresh his mind and body. Our children worked very hard throughout the term to meet the objectives and standards. We are confident they are good listeners, readers, writers and speakers.

It is true that doing too much during the break, defeats the whole purpose of vacation but a little and interesting summer break homework is always the best for the student's growth.

Encourage them to get enough of sleep and have a healthy discussion.

Summer break provides ample time for physical activities.

We would like to share a few suggestions to make your child's holidays more rewarding.

❖ **Sports:** Beat the heat with sports in the summer holidays.

Sports activities and games for children are a great way for them to require all around abilities that help them through their lives. They can go for swimming, can play basketball, can do skipping and many other sports activities.

❖ **Advantages of Sports.**

Such physical exercises will engage children to counteract the negative impacts of technology which has infiltrated their lives with terrible repercussions.

❖ **Reading**

Students during the break become casual with their English Language. To encounter this reading on daily basis will be ideal. This will ensure a relative degree of association with spoken language.

❖ **Listen to your children,:** Answer their questions. Have healthy discussion on different topics.

Wishing you all the best and an enjoyable summer break.
Looking forward to welcoming you back safe and sound after summer break.

Dear Students;

At last, much awaited summer vacation has begun. It is a time for relaxation and enjoyment and important to rest and enjoy necessary as well to continue to learn. There must be a balance between work and play, so, allow yourself to grow and learn in the process. Let vacations time be a doorway to creativity, learning, growth and joy.

In this summer break you will have interesting homework. You will surely enjoy all the learning activities. Therefore, relax, have lots of fun and come back refreshed.

Instructions

- ❖ The homework is divided into two portions
- **Learning based**
- **Activity based**
- ❖ All assignments have been carefully planned in such a way that you continue the learning process.
- ❖ Teachers have explained the homework in the classes.
- ❖ All the creative work should be your own effort.
- ❖ The syllabus covered so far during the first half of the term should be revised thoroughly because it will be included in the **1st Term Examination**.
- ❖ Read different interesting books to improve your reading skills and vocabulary.

Long Test (4-5) Papers (6-9)

- Learn, write and revise all the work done so far to prepare yourself for the exams in October.

➤ **Competitions:**

Prepare yourself for the following competitions after the summer Break;

- ✓ **Pakistan Quiz Competition** (Based on Social Studies topics)
- ✓ **Creative Writing Competition**
- ✓ **Handwriting Competition**
- ✓ **English/Urdu Reading Competition**
- ✓ **Spell Check Competition** (Oral/Written)
- ✓ **Spoken English Test** (Based on the syllabus shared in class groups)
- ✓ **Seerah Quiz**

Note:

- **Use school copy to do summer vacations work as per given instructions in each subject.**
 - Neat, tidy and complete homework will be appreciated.
 - Summer vacations homework which will be graded and the grades will be added in the **1st Term Assessment/ Result**.
 - Submit your summer vacations homework copy for checking on **22nd August, 2023**
 - Late submission of the summer task will not be accepted for marking.
- Looking forward to your cooperation.

Thank you

Summer Vacations Work Class 2 (Session 2023-2024)

==

Dear Students

Exercise boosts your mood, increases blood flow to the brain, and improves focus. And when done in the morning you are setting up for a full day of success. Do 10 to 15 mints workout before start your day.

Note: Read the next three chapters in all the subjects thoroughly.

- Find out the meanings of difficult words from the dictionary.
- Choose any 10 words from each chapter to use them in your own sentences.
- Take dictation test from all the units of first term to prepare yourself for spell-check competition.

Subject: ENGLISH

Note: Do the following tasks in summer vacation copy.

1. Handwriting

- ❖ Do 30 pages of handwriting. Follow school's handwriting pattern pasted in English A copy.

2. Free Writing:

- ❖ Do a page of free writing thrice a week.

3. Creative Writing (Word Limit 60)

- Do picture depiction of page# 9 and 13 in Reader 8c
- Write about your city, take help from your general knowledge book
- Do you like summer Holidays? Provide your answer with reasons.
- Read the chapter "Be Honest" on page 54. Then on page 61 there is a question, What would you do if you were in Kaleem's place?
- Choose a character from your readers and describe it.

4. Reading

Read the suggested stories to develop your reading skills.

- Little Red Riding Hood
- Snow White
- The Pied Piper
- Charlie and the chocolate factory
- Magic tree house by Marry Pope Osborne

Revision

- Learn and revise all the work done in your copies and books in rough copy.

Subject: Art

Note: Make a separate file for homework.

1. Draw and colour a scenery of nature on A4 size paper.
2. Draw a tree on A4 size sheet. Cut small birds and paste them on the tree. Colour the background (Draw small birds on paper, cut and paste on tree)
3. Draw a butterfly, fill it with pencil shading and paste it on A4 size sheet
4. Activity-1: Make 3D pineapple from paper craft and paste it on an A4 size paper.

Subject: MATH

Note: Practice and prepare yourself for “Math Olympiad”

Math Olympiad is an initiative for students to train them in Mathematical skills. It is a contest in which all the questions are in the form of multiple choice questions. It makes the students to think beyond memorizing formulas and to explore far beyond what is taught at schools.

Practice:

- Practice all the given work in Summer Break copy.
- Look at the page 37 and create your own questions as per given instructions and solve them.
- Solve the addition stories on page 53 and 54 by changing the digits in each questions.
- Solve the subtraction stories on page 76 and 77.

Mental Math

- Create your own questions as per exercise on page 55 and solve them.

Project:

- Page 35. “Math’s Lab Activity”
- Create your own abacus and have fun with your siblings/friends/ parents.
